Re: Changes to Delivery Fees and Congestion Zone Areas – Effective June 1, 2025

---

Please note that effective June 1, 2025, Empire Merchants LLC has revised the delivery fees per the following rate schedule.

1. For all sales invoices equal to or over \$1,000, a \$7.50 delivery fee will be assessed per delivery truck. This was previously set at \$5.00.
2. All sales invoices less than \$1,000 will incur a delivery charge of \$37.50 per delivery truck. This was previously set at \$35.00.

Additionally, the congestion zone fee of \$2 will apply ONLY to those accounts located in the Congestion Relief Zone, which is south of 60<sup>th</sup> Street in Manhattan. Previously all accounts located in Manhattan/New York county were assessed the \$2 congestion fee.

The Split Case fee remains unchanged. Please note that the delivery fee also applies if the only delivery to the retail location on a given day is a Bill and Storage release.

These fees will be posted on Empire Merchants website, in our price filings and noted in the Beverage Media as appropriate.

Please contact your sales representative if you have any questions.
